

SMART CARE SOLUTION

EASIEST
SERVICE
AT THE
SMARTEST
RATE

Maximize uptime and save on spare parts!

Avoid downtime and unexpected costs with our basic **Smart Care Solution** - and keep your production running smoothly at all times! Service visits are planned proactively and efficiently, securing technician availability when needed. You also benefit from exclusive discounts on spare parts needed for subsequent repairs identified during the inspection.

THE SMART CARE SOLUTION INCLUDES

- annual or semi-annual machine inspections at your site
- assessment of your machine's condition
- early identification of maintenance or repair needs
- check protocol

rely on **ORIGINAL X PARTS**
